

## Corporate Presentation

## Sample Work (2019 YTD)

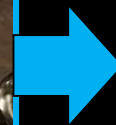

# Company Introduction

MechaFab Industries, based in Houston Texas, is committed to help your Company grow and succeed by supporting your machining and fabrication operations, and producing your most engineered complex components.

MechaFab Industries specializes in the production of custom made parts, weldments, tooling, fixtures, and machinery replacement components to enhance your Manufacturing or Assembly capabilities. We also offer Engineering and Design services to compliment your Manufacturing needs.

# Sample Work – Machining & Assy.

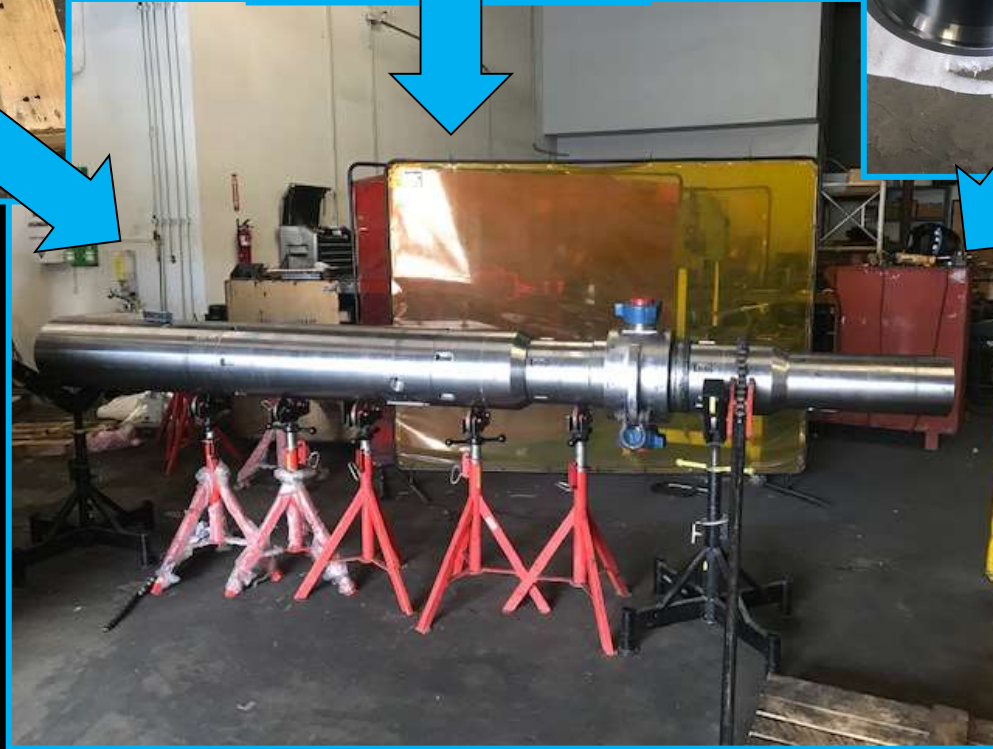

Stainless Steel Flanges & Shafts

# Sample Work – Machining & Assy

Alloy Cement  
Head

# Sample Work – Machining & Fab. & Assy

Nickel  
Plated  
Weldment

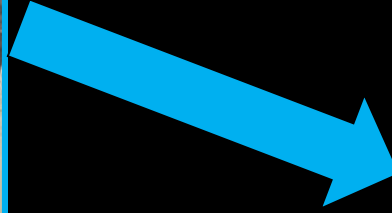

# Sample Work – Machining & Fab. & Assy

Carbon Steel & UHMW Machining  
& Welding & Powder Coating

# Sample Work – Machining

Heat Treated Round Bar

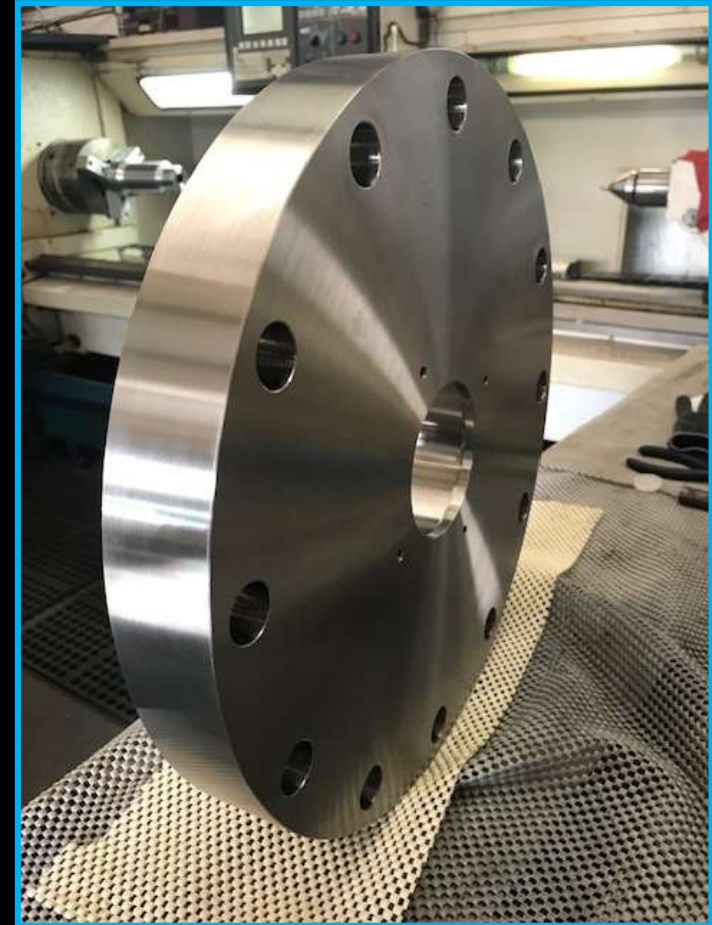

# Sample Work – Machining

Machining & Sinker/Plunge EDM

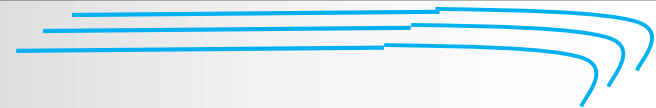

# Sample Work – Machining

Replacement Hastelloy Flange

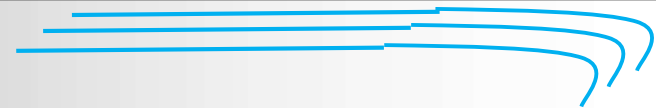

# Sample Work – Machining

Stainless Steel Flanges & Couplings

# Sample Work – Machining

Stainless Steel Molds - Electropolished

# Sample Work – Machining

Misc. Parts – Stainless Steel, and Alloys

# Sample Work – Machining

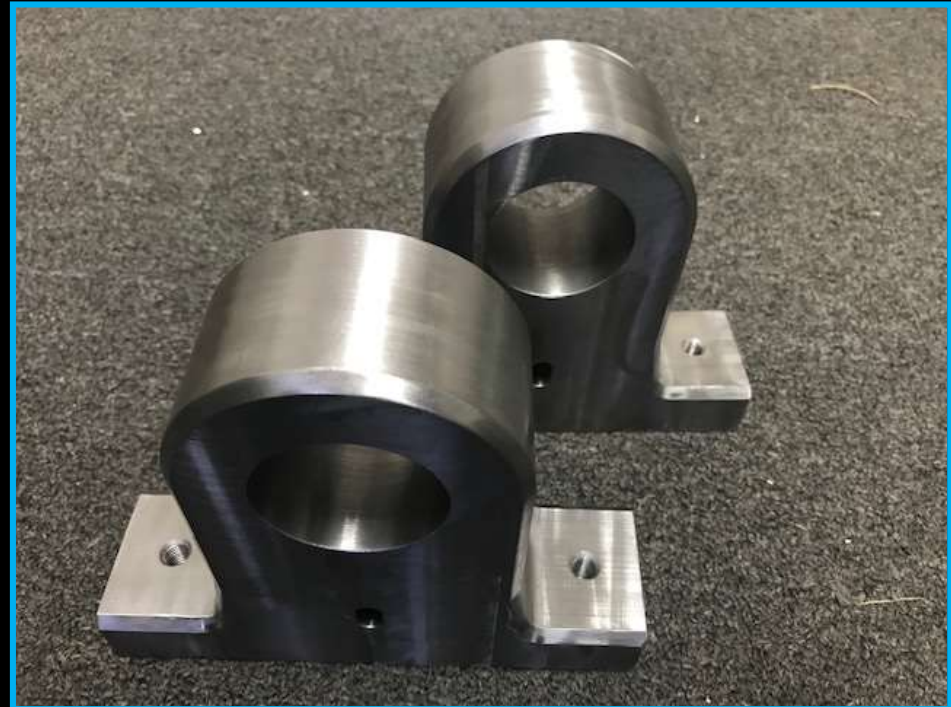

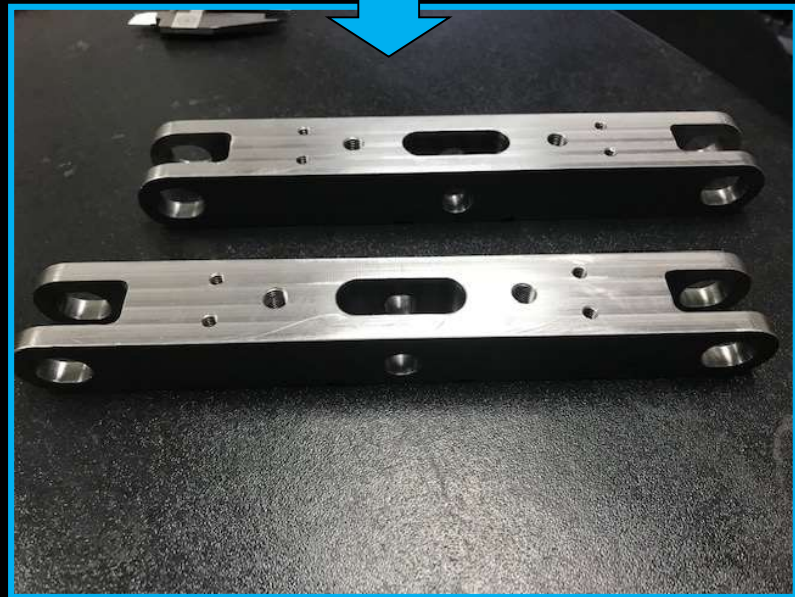

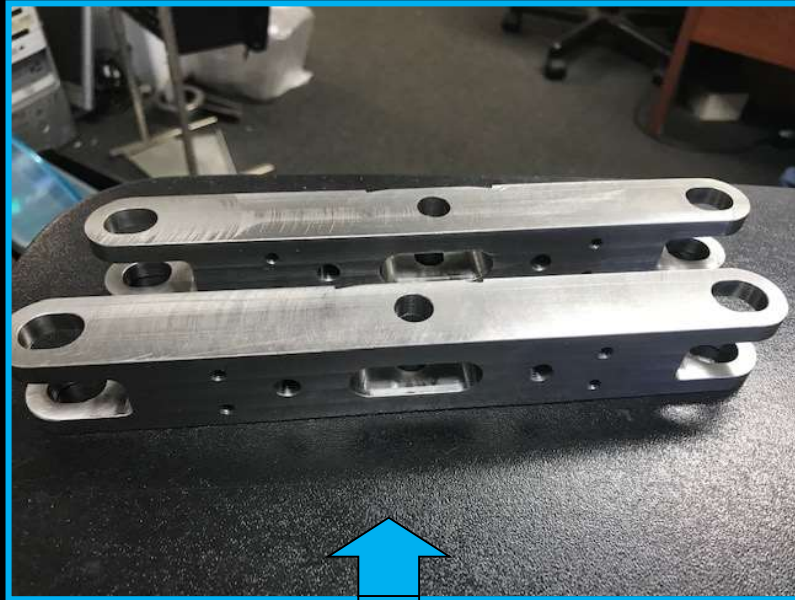

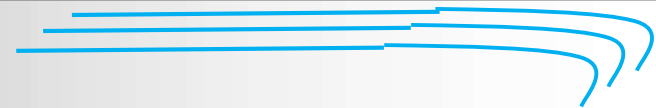

4140 Alloy Steel Misc. Parts

# Sample Work – Machining

Alloy Steel  
Misc. Parts

# Sample Work – Machining

Alloy Misc. Parts

# Sample Work – Machining

Wire EDM & Machining

# Sample Work – Machining & Assy

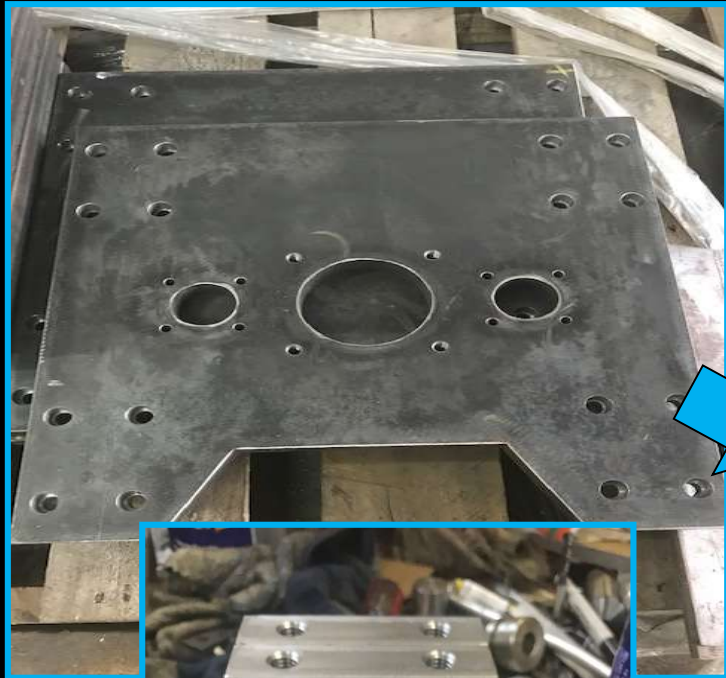

Brass & Delrin & Aluminum & Alloy Parts

# Sample Work – Machining & Fab.

Carbon Steel  
Cold Welding

# Sample Work – Machining & Fab.

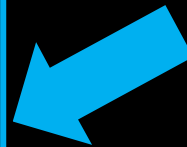

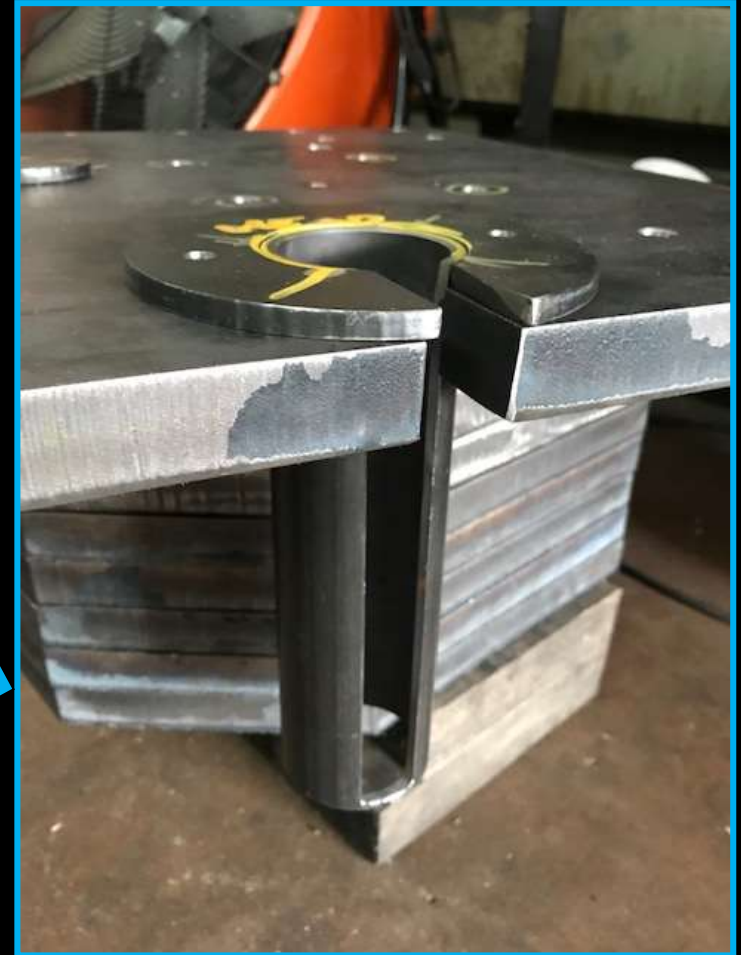

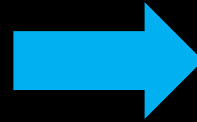

Carbon Steel Plate Cutting & CNC Machining

# Sample Work – Machining & Fab.

Carbon Steel Plate Cutting &  
CNC Machining

# Sample Work – Machining & Fab.

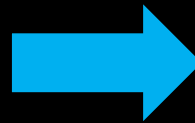

Carbon Steel Plate Cutting & CNC Machining

# Sample Work – Machining & Fab.
